

Raj Bhawan Information Wing, Uttarakhand

Governor's Greetings on Teachers Day

Raj Bhawan, Dehradun, 4th September , 2015

Uttarakhand Governor Dr.K.K.Paul has greeted all the teachers of the state on Teachers Day.

In his message on the eve of this occasion, the Governor said that dedicated to the birth day of the great scholar, philosopher, thinker and teacher Dr. S.Radhakrishnan, the second president of the country, this was the occasion for expressing our devotion and gratitude towards our teachers/gurus who show us the right direction in life.

The Governor specially congratulated those teachers who have been honoured with the President's award for their excellent contribution in the field of teaching. He said that in our society, there was an age-old tradition of giving the highest honour to teachers who build the character of their students.

He said that in this era of information technology, all information required was available to students easily and thus, the role of teachers had become even more challenging and significant. "There is now a need for a teacher to inculcate original thinking and human values in students, making them sensitive towards humanity, developing patience, discipline and compassion in their characters in order to make them ideal citizens who can help in nation building", said the Governor.
